

Identification Cards

All Detroit Mercy employees will be issued a picture identification card (ID card) upon hire to ensure proper access to campus facilities. Your employee ID card is not only for identification. It also allows you to:

- check out materials from the Detroit Mercy Library
- access the fitness center
- receive discounted tickets (Athletics and Theatre)
- receive other discounts (bookstore and food service)

Employees are expected to comply with requests by Public Safety or other authorized University personnel to present their ID card. Identification cards are the property of the University and must be returned when employment is terminated.

If you lose your ID card, check with Titan Information Center to see if it has been turned in. There is a \$20.00 charge for a replacement ID card. For more information, see [Parking & ID Center](#) web page.
