WINTER 2022

TWC Makeover

The Mission Micro Grant Committee has awarded The Writing Center funds to purchase supplies to repaint and decorate the Writing Center to create an inviting space for student writers.

In addition to the mural (pictured left), we have added soft lighting options, plants, and a calming green color to the walls. We hope all students find TWC a more warm and welcoming space!

Upcoming Workshops

Utilizing Transitions - 2/15

APA Documentation - 2/22

Avoiding Plagiarism - 3/1

MLA Style Review - 3/15
