

## UDM Sibling Tuition Discount

(Effective beginning Fall 2016-17 enrollment)

- **Sibling** - one of two or more children having ONE or BOTH parents in common. Blended families may receive the discount for adopted and step siblings. This discount does not include family members outside of adopted and step sibling relationships such as fostered, god-brother/god-sister, etc.
- Established for families with multiple siblings enrolled at UDM McNichols & Aquinas Campuses (AQ nursing only) during simultaneous enrollment periods. Undergraduate siblings must be enrolled full-time. The discount does apply to families with one undergraduate sibling (minimum 12 credits) and one graduate sibling (minimum 5 credits), however, only the undergraduate student will qualify for one (1) sibling discount per term.
- Siblings must be admitted through the Admissions Office and meet all admission standards.
- Siblings who qualify for the sibling tuition discount must be enrolled full-time (12 credits minimum) in an undergraduate program leading to a **1<sup>st</sup> bachelor's degree**. Both siblings must be enrolled full-time before the discount will be applied. If the undergraduate student qualifies with a sibling who is in graduate school, the graduate student must be enrolled at least half-time (5 credits minimum) and does not qualify for the discount themselves. Siblings who are both graduate students do not qualify for the sibling tuition discount.
- Must complete application form each year (one form per family) and submit to financial aid. The tuition discount rate is determined per sibling, per year. **Note:** Graduate siblings do not qualify for the discount, but undergraduate siblings may qualify if their sibling is a graduate student.
- The Sibling Tuition Discount is not based on need.
- Documents Required- All applications for the sibling tuition discount must be accompanied by a certified true copy (must have a raised seal) of the following documents to be copied:
  - ✓ Birth Certificate of the Applicant
  - ✓ Birth Certificate of Sibling(s)
  - ✓ Marriage license (blended family situations)
- The discount may be used for Fall and Winter semesters only; summer sessions are not covered (some program exceptions may apply for summer).
- Discounts will be approved for the academic year, but eligibility will be calculated on a semester basis. For example, if one sibling graduates in December or does not enroll full-time for the winter semester, the discount is not valid for the winter semester.
- The sibling tuition discount is for tuition only.
- There will be no transfer of sibling discount, such as one receiving the full amount for both, and the other \$0. All discounts will be applied per sibling, per eligible semester. **Note:** Graduate siblings do not qualify for the discount.
- UDM employees and their children are not eligible.

SIBLING TUITION DISCOUNT APPLICATION  
University of Detroit Mercy  
Office of Scholarships & Financial Aid

This application is for siblings concurrently enrolled as full-time undergraduate degree students. This application is limited to a single academic year. **One application per family.** A Renewal application is required each school year.
