Leadership Minor

Leadership Minor Advising – Architecture
2.1.25

If you want the Leadership Minor, you need to work closely with Associate Dean Noah Resnick.
A lot depends on if you are going overseas and what classes you tested into upon arrival Some start the minor early on (we recommend LEAD 2000 Sophomore year as an 'elective') while many will complete the requirements during their Junior & Senior years only. Since LEAD 2000 also counts for IT5, the minor is only one extra class. For information on the Leadership Minor contact Dr. Don at dipaoldo@udmercy.edu.
