Leadership Minor Advising – Addiction Studies

For information contact Dr. Don at dipaoldo@udmercy.edu (10-23-23)

Addiction Studies majors can add a Leadership Minor by only taking two additional classes—the Introductory and Capstone Leadership classes. The skills learned in the leadership program augment the kinds of things you will learn in your major and help you be successful in doing real world work. If you play your cards right, Addiction Studies majors can even double minor!
