

Special License Frequently Asked Questions

A completed Special License application must be submitted as early as possible before your event(s) to avoid any delays in processing. It is strongly recommended that you submit the application as soon as you know the date of your event(s). Failure to submit a completed application at least ten (10) business days prior to the event(s) may result in no Special License being issued, pursuant to administrative rule R 436.575.

This is the first time my organization is applying for a Special License, what should I expect and is there any helpful information I should know?

- For organizations applying for the first time please include all non-profit documents such as: IRS EIN, bylaws, and Articles of Incorporation.
- Please fill out the Special License Form (LCC-110) completely and fax it to Revenue Services with the Credit Card Authorization. Payment processing typically takes 2-3 business days. The application can also be mailed or hand delivered. We highly recommend keeping a copy of the application for your reference and records.
- Once received the application will be reviewed for completeness. If any deficiencies are found an email will be sent to both contacts requesting the documents or amendments. If no deficiencies are found the license will go before the Commission to be voted on at the earliest meeting available.
- During the spring and summer months, the number of applications increase significantly and it takes longer to review them all. We appreciate your patience and ask that you submit your applications well in advance of your event.
- If approved, the license will be sent via email to both contacts. Please be sure both emails are legible, accurate, and persons are available to receive emails promptly.
- Please refer to the Special License Instructions, checklist, and Notice to Special Licensees for further details.

How do I know if I need to fill out the Special License form (LCC-110) or the Beer Festival Form (LCC-111)?

- The Beer Festival Form (LCC-111) is only for non-profit organizations comprised of Brewers, Micro Brewers, or Brewpubs.
- If your organization is not comprised of Brewers, Micro Brewers, or Brewpubs you must complete the Special License Form (LCC-110) even if you call your event a "beer festival".

Why does an organization need a Special License?

- A Special License is issued to a non-profit organization that is hosting an event open to the public where alcohol will be served and funds will be raised, whether by donation, a purchased ticket, a membership drive, or by some other consideration.
- Please call the Special License Unit at 517-284-6250, extension #1 to verify if your event requires a license.

Where can our organization buy alcohol for our event?

- Your organization may purchase alcohol from the following:
 - Spirits from a Specially Designated Distributor (SDD) licensee, such as a liquor store or convenience store at uniform retail prices.
 - Beer and wine from a Specially Designated Merchant (SDM) licensee, such as a grocery store, liquor store, or convenience store.
 - Beer and wine from a Wholesaler licensee
 - Wine from a Wine Maker or Small Wine Maker license.
 - Mixed spirit drink products from a Specially Designated Distributor licensee or Wholesaler licensee.
- Your organization cannot accept any donated alcohol for consumption on the premises.

If my organization is obtaining a Wine Auction Special License, can we receive donated wine from a manufacturer?

- No, an organization cannot accept any donated alcohol or wine from any other licensee.
- All wine for a wine auction must be donated to the organization from someone's personal inventory and recorded on the wine auction list.
- The wine may also be purchased by the organization, in which case you must notify the Commission of this in lieu of a wine auction list being submitted.

Checking the status of your application

- When submitting a new application, the form must be faxed to Revenue Services at 517-284-8557 in order for the payment to be processed. The payment processing period usually takes 2-3 business days before the Commission will receive the application.
- If your application does not appear on the MLCC Status Check website (https://customers.mlcc.michigan.gov/SoM_ApplicationStatusCheck), it is recommended that you check with your bank to see if your payment has been processed. If payment has been processed, then we may require more time for processing.
- If payment has not been processed and the allotted 2-3 business days has passed, please call the Special License Unit to verify if the application has been received as you may need re-fax your application to Revenue Services.

Special License Frequently Asked Questions Continued

A completed Special License application must be submitted as early as possible before your event(s) to avoid any delays in processing. It is strongly recommended that you submit the application as soon as you know the date of your event(s). Failure to submit a completed application at least ten (10) business days prior to the event(s) may result in no Special License being issued, pursuant to administrative rule R 436.575.

Events at different locations

- MLCC can only license one location with each application. If multiple dates are requested and the event areas differ, please submit a new completed application for each event with the specific event and location information.

Irregular shaped event location dimensions

- If the event location proposed is of an irregular shape, please include the longest width and the longest length on question 5 located on page 1 of the application form. Please also include a detailed diagram of the event with all dimensions listed.

What type of barriers are needed for the event?

- There are no specific requirements for barriers. The purpose is to contain the event and to prevent alcohol from leaving the licensed premises and to prevent minors from entering the service area.

Can minors be in the licensed area?

- Yes, minors may be allowed in the licensed area. We recommend using wristbands or some other identifying tool to differentiate between minors and those of legal drinking age. All IDs should be checked to prevent serving to underage persons.

- No, you do not need to have certified bartenders. Anyone serving alcohol must be from your organization and follow all necessary MLCC rules and regulations.

Our event is taking place in an establishment that currently has a liquor license to serve alcohol. Is there something we need to do in order to hold our event?

- If the establishment has a license to serve alcohol for consumption on the premises (Club license, Class C license, Micro Brewer or Small Wine Maker license with On-Premises Tasting Room Permit, Off-Premises Tasting Room license, etc.), you must submit part 7 of the application form completed by the other licensee indicating it will put its license in escrow, which will suspend its license in order for your Special License to become effective.

Surety Bond

- The 60-day surety bond on page 7 of the application form must be completed by an insurance agency or surety company.
- For multiple events at the same location, a separate bond will be required except event dates that are in consecutive date order.

I need to cancel my license, what should I do?

- Cancellations depend on the status of the license in question.
 - If your license is still pending and has not been voted on by the Commission, the license can be cancelled, and a refund may be issued.
 - If your license has been approved by the Commission, issued to you, and the event date of the license has not passed, the license can be cancelled but no refund will be issued.
 - If your license has been approved by the Commission, issued to you, and the event date of the license has passed, we cannot cancel the license and no refund will be issued.
- To cancel a license, we must receive written communication from either the contact or the alternate contact requesting to cancel the specific license(s).

What can our organization do with leftover alcohol from our event?

- If the Wholesaler licensee agree to do so, you may return any unused beer or wine products to the Wholesaler licensee from which you purchased it.

If the event location will be in the unlicensed hall of a licensee that holds a Club license, please indicate this on the diagram.

State Land Approval

If the event location is situated in or on state owned land, you must obtain and submit documentary proof of approval to use the state owned land.
