As health care costs continue to rise, many people have trouble paying medical expenses that insurance doesn't cover. Luckily, our EAP — with the Medical Bill Saver feature — can help.

### How does it work?

When a covered employee has a medical or dental bill totaling over \$400 in out-of-pocket costs, our skilled negotiating team works with the provider(s) to get a discount. Successful negotiations can save employees hundreds, and sometimes thousands, of dollars.

Our experts can also show employees how to keep bills lower in the future — for example, by using in-network providers.

By helping reduce employees' out-of-pocket-costs, Medical Bill Saver can make consumer-driven health plans (CDHPs) more attractive — and more effective.

Medical Bill Saver is one more way the Unum Employee Assistance Program helps employees manage the stresses of modern life.
