Mission Statement

As a school of the Archdiocese of Detroit our mission is to educate Detroit's future by creating a culture of success for the greater glory of God. We accomplish this by:

- Proclaiming the Gospel
- Growing a faith community in which Gospel values are experienced, formed, and lived
- Providing a learning environment that fosters academic excellence and supports Catholic identity
- Respecting and valuing the racial and cultural diversity that is unique to the Detroit area
- Developing a personal relationship with Jesus

Benefits of Gesu

Gesu provides its student body with a challenging academic program in a safe environment enriched by Catholic values. Gesu is fully accredited by the Michigan Association of Non-Public Schools (MANS). In addition to our accreditation, all of our teachers are certified by the State of Michigan and the Archdiocese of Detroit. We strive to provide excellence to all of our students and it begins through our administration and teachers.

Our benefits are not only limited to the classroom. Gesu's emphasis on religion is evident every day of school by beginning each day with prayer. It is our belief that a strong religious connection will lead to a more well rounded and active individual in the community.
