

ANTI-HAZING AGREEMENT

All fraternities and sororities must file this form each year with the Student Life Office to be recognized with all the rights and privileges of a registered organization. If an organization has any change in executive board membership, a new form must be submitted with all necessary signatures. All social Greek organizations must be in full compliance with the University’s policy statement on Hazing.

Organization: _____ **Date Submitted:** _____

Policy on Hazing

Hazing is considered by the Fraternity Executives Association to include any action that produces mental or physical discomfort, embarrassment, harassment, or ridicule. The University of Detroit Mercy Code of Rights and Responsibilities states that no member of the University community may harass, threaten, coerce, abuse, or harm any person. Fraternities and Sororities, athletic teams, and other student organizations, in their member recruitment, member development, and activities, are not excluded from these policies regardless of their own organization policies. At the same time, the University may support and act upon the hazing policies of each organization. Thus student organizations are bound by both University and its own policies regarding hazing. Hazing policy statements are a required part of files for all Greek social and service organizations, and any other organization engaging in pledging potential members. Hazing allegations will be investigated and followed up by the University quickly and aggressively.

Anti-Hazing Agreement for Officers

The officers of this organization have read and understand the University of Detroit Mercy policy statement on Hazing. Further, we have informed the members and new/associate members of our organization of the contents of the University’s policies on Hazing. All activities sponsored and/or required by our organization are in compliance with this policy.
