Build a Boundless Future

Dear Students, Faculty, and Staff:

University of Detroit Mercy's Department of Public Safety works around the clock to ensure a safe campus environment. The 2023 Annual Security & Fire Safety Report is provided to inform you of safety information at Detroit Mercy. The Report covers our commitment to the University Community, disclosing statistical information for the previous three years (2020, 2021, 2022) and other safety information.

Detroit Mercy has an Emergency Response Plan that is sound, yet flexible to meet the demands of a crisis, providing a framework necessary to respond to an emergency incident. The University has provided protocols for you to identify the best steps to take, should you find yourself faced with a crisis. When you visit the Department of Public Safety website (www.udmercy.edu/publicsafety), take a few minutes to print out a copy of the full Emergency Response Plan as well as the Emergency Procedure Guide as a quick reference tool.

The University uses RAVE Emergency Alert System (EAS) to provide the community with notifications on campus security issues, class cancelations, or other campus-related emergencies. The EAS is designed to send registered participants a notice through text messages and prerecorded voice messages on their cellphones, hard-wired home phones, text pagers, or emails. I strongly recommend that all community members validate your contact information to receive timely campus safety information.

You are encouraged to visit the Department of Public Safety website at www.udmercy.edu/publicsafety to view the Detroit Mercy Emergency Response Plan and other important safety information.

Sincerely,

Joel A. Gallihugh

If assistance is required from the City, County, State Police, or Fire Department, the Detroit Mercy Department of Public Safety will contact the appropriate agency. If a sexual assault or rape should occur, staff on the scene, including the Department of Public Safety, will offer the victim a wide variety of services.

This publication contains information about on-campus and off-campus resources. The information is made available to provide the Detroit Mercy Community members with specific information about the

Campus pastoral counselors and campus professional counselors, when acting as such, are not required to report crimes for inclusion in the annual disclosure of crime statistics. As a matter of policy, they are encouraged; if and when they deem it appropriate to inform persons being counseled of the procedures to report crimes on a voluntary basis for inclusion in the annual crime statistics. While this exemption is to protect the counselor-client relationship, there could be situations where counselors are legally obligated to report a crime.

MISSING PERSON POLICY

PURPOSE

The purpose of this policy is to establish procedures for the University's response to reports of missing persons, as required by the Higher Education Opportunity Act of 2008. This policy applies to employees, contractors, consultants, temporary help, and other workers at Detroit Mercy, including all personnel affiliated with third parties.

A Detroit Mercy residential student is "**determined to be missing**" when a missing person's report investigation concludes that the student has been absent from the University for a period of 24 hours or longer without any known reason. The Director of Public Safety, or designee, in conjunction with the Dean of Students, or designee, will make the official determination of whether a residential student is deemed missing.

Non-residential students, employees, contractors, consultants, temporary help, and other workers who are reported as missing to the Department of Public Safety shall be treated as missing according to the Michigan statute. The statute requires that a person be missing at least 24 hours before a missing report shall be taken by municipal agencies for persons 17 years of age and older, except in unusual circumstances or other factors which may be taken into consideration.

SCOPE

This policy applies to students who are currently enrolled as a student and reside at the University of Detroit Mercy. This policy also applies to non-residential students, employees, contractors, consultants, temporary help, and other workers who have visited the Detroit Mercy campus.

Residential Students

Procedure for Designation of Confidential Emergency Contact Information

All residential students have the opportunity annually to identify an individual or individuals to be contacted by the Dean of Students or designee no later than 24 hours. Anyone concerned that a residential student may be a missing person must notify the Department of Public Safety, Dean of Students, or the Director of Residence Life as soon as possible so that an official determination can be made on the missing status of the student.

The Department of Public Safety and Residence Life staff will gather all essential information about the residential student from the reporting person and from the student's acquaintances. Appropriate campus staff will be notified to aid in the search for the student. Appropriate staff will include the Residence Life professional on-call, the Director of Residence Life, the Dean of Students, and the Department of Public Safety.

If the above actions are unsuccessful in locating the student within 24 hours, or it is immediately apparent that the student is a missing person (e.g., witnessed abduction) the student will be deemed a missing student 24 hours after the time that the student is determined to be missing in accordance with the procedures set forth below. A designation will remain in effect until changed,

revoked by the student, or when the student is no longer enrolled at Detroit Mercy. This information is maintained confidentially and will be available only to the Department of Public Safety, the Dean of Students, and the Director of Residence Life. The administration of the University reserves the right to notify the parents or legal guardian of a student under the age of 21 if s/he has been determined to be missing.

For those students under the age of 17 and not an emancipated minor, the University shall notify the emergency contact as well as the custodial parent or guardian on file no more than 24 hours after the student is determined to be missing.

General Policy

People may be missing for a host of reasons. The Detroit Mercy Department of Public Safety will assist in determining if the reported person is missing. At the time of the concern, the Detroit Mercy Department of Public Safety shall process a report taking all foreseeable steps to locate the missing person on campus. When there is a lapse of 24 hours and a situation absent of extenuating circumstances, a person 17 years of age and older shall be reported to the police department where the missing person resides and will be subject to the laws and ordinances of that agency.

Novi residents shall be reported to the Novi Police Department. The reporting party is responsible for contacting the appropriate municipal police agency for further assistance. The Detroit Mercy Department of Public Safety will, to the extent possible, facilitate the process between the reporting party and the appropriate police agency.

Missing Minor

A report of a missing person who is under the age of 17 shall immediately be processed as a missing person report by the Department of Public Safety. If the missing minor cannot be located on the Detroit Mercy property, Detroit Mercy Public Safety shall contact the Novi Police Department immediately following a check of Detroit Mercy property. All related information gathered during the search shall be turned over to the Novi Police Department (NPD) for further processing. The Detroit Mercy Department of Public Safety shall assist in the transfer of information to the NPD and take all foreseeable steps to ensure the reporting person has an established contact with NPD. The Detroit Mercy Department of Public Safety shall forward the campus report to the University's investigative unit. The assigned investigator shall follow up with NPD to determine the disposition.

PURPOSE

The purpose of this policy is to make the University of Detroit Mercy Community aware of the police authority of the Detroit Mercy Officers.

University of Detroit Mercy Campus officers have police authority to apprehend and arrest anyone involved in illegal acts on campus during campus patrol. If minor offenses involving University rules and regulations are committed by a University student, the campus officers may also refer the individual to the Dean of Students Office for administrative review and appropriate reprimand.

Major offenses such as rape, murder, aggravated assault, robbery, and auto theft are reported to the local police. ANNUAL DISCLOSURE OF CRIME STATISTICS

PURPOSE

In compliance with the U.S. Department of Education regulations, the University of Detroit Mercy maintains, enforces, and annually discloses to the University community crime statistics for incidents occurring on and around the University's campuses. The annual disclosure is meant to inform the University of Detroit Mercy Community of criminal activity regardless of the severity of the incident.

SCOPE

This policy applies to employees, contractors, consultants, temporary help, and other workers at Detroit Mercy, including all personnel affiliated with third parties. Crime statistics are compiled on criminal activity occurring on and around university property to decrease the opportunity for victimization by heightening community awareness.

POLICY

A Safety Disclosure Report will be made available annually to keep the university community apprised of safety information affecting Detroit Mercy.

The Detroit Mercy Department of Public Safety prepares this report in compliance with the Jeanne Clery Disclosure of Campus Security Policy and Crime Statistics Act. The full text of this report can be located by following the link on our website at www.udmercy.edu/publicsafety. You may also connect to our website via the Detroit Mercy Home page at www.udmercy.edu.

This report is prepared in cooperation with the local law enforcement agencies surrounding campuses, Residence Life and Title IV Coordinators, and the Division of Student Affairs. Each entity provides updated information on their educational efforts and programs to comply with the Clery Act. Campus crime, arrest, and referral statistics include those reported to the Detroit Mercy Department of Public Safety, designated campus officials, and local law enforcement agencies. These statistics may also include crimes that have occurred in private residences or businesses and are not required by law. Michigan law requires prompt, mandatory reporting to the local law enforcement agency by health care practitioners (such as those at Student Health Services) when they provide medical services to a person they know, or reasonably suspect is suffering wounds inflicted by a firearm or is a result of a physical assault or abusive conduct. Personal Counseling Services staff informs their clients of the procedures to report crime to the Department of Public Safety on a voluntary basis, should they feel it is in the best interest of the client.

Each year, an email notification will be made to all enrolled students, faculty, and staff informing them of the website to access this report. Copies of the report may also be obtained by calling the Department of Public Safety at (313) 993-1235 during normal business hours. All prospective employees and prospective students may obtain a copy from the Department of Public Safety website www.udmercy.edu/publicsafety.

Michigan law prohibits the dispensing, selling or supplying of drugs. Employees, students, faculty and campus visitors may not unlawfully manufacture, consume, possess, sell, distribute, transfer or be under the influence of illicit drugs or controlled substances on University property, while driving a University vehicle or while otherwise engaged in University business. University property, as defined in this Policy, includes all buildings and land owned, leased, or used by the University, and motor vehicles operated by employees, including personal motor vehicles, when used in connection with work performed for or on behalf of the University.

Any person taking prescription drugs or over-the-counter medication is personally responsible for ensuring that while taking such drugs or medications, he or she is not a safety risk to themselves and others while on University property, while driving a University or privately-owned vehicle, or while otherwise engaged in University business. It is illegal to misuse prescription medication, i.e., continue to use medication when the prescription is no longer valid, use prescribed drugs contrary to the prescription, and give or sell prescribed drugs to another person. Misusing prescription drugs can result in a conviction with jail time.

The University of Detroit Mercy uses evidenced-based strategic interventions, collaboration, innovation, and the incorporation of the wellness dimensions to reduce harmful consequences of alcohol and other drug use.

- Providing education and awareness activities.
- Offering substance-free social and extracurricular options.
- Creating a health-promoting normative environment.
- Restricting the marketing and promotion of alcohol and other drugs.
- Limiting availability of alcohol and other drugs.
- Developing and enforcing campus policies and enforce laws to address high-risk and illegal alcohol and other drug use.
- Providing early intervention and referral for treatment.
- Parental Notification

The Family Education Rights and Privacy Act (FERPA) govern the release of and access to student education records. Section 952 of the 1998 Amendments to the Higher Education Act of 1965 clarified that institutions of higher education are allowed (but not required) to notify parents if a student under the age of 21 at the time of notification commits a disciplinary violation involving alcohol or a controlled substance.

Because of the health and safety risk inherent in alcohol and other drug misuses, Detroit Mercy will notify parents/families of students under the age of 21:

- If a student has committed an AOD violation accompanied by other serious behavior such as needing medical attention, significant property damage, or driving under the influence.
- If a student has had an AOD incident that resulted in transport to the hospital or jail.
- If a student has had one AOD-related violation of the Student Code of Conduct- Alcohol and Other Drug Policy

Detroit Mercy campuses have been designated “Drug-Free” and only under certain circumstances is the consumption of alcohol permitted. The possession, sale, manufacture, or distribution of any controlled substance is illegal under state and federal laws. Such laws are strictly enforced by the University of Detroit Mercy Public Safety officers. Violators are subject to University disciplinary action, criminal prosecution, fine and imprisonment.

Detroit Mercy Department of Public Safety works to maintain a drug-free workplace in compliance with University policies, City Ordinances, state and federal laws. The University has disclosed to the community detailed information to uphold the “Drug-Free Workplace Act of 1988”. This information is available through the Detroit Mercy Human Resources Department and located in the UDM Polices & Procedures Handbook effective October 2003. In addition, the Detroit Mercy Department of Student Affairs communicates information on the consumption of alcohol and illicit drug use through the Student Handbook and Calendar. The Department of Residence Life reinforces these policies for the residential community by providing policies on the prohibition of alcohol consumption and illicit drug use in the Guide to Residence Living.

At the time of the initial session the student can talk confidentially about what is most on his/her mind and together the counselor and student will identify problems and set realistic goals for therapy. Some students may have special needs which would require a referral to a clinic or another therapist.

The counseling office serves as a resource for faculty and staff who may want to discuss a distressed student's behavior or explore ways to approach a student to make a referral. Faculty and staff who are not eligible for counseling services may take advantage of referral sources to private practice clinicians.

SECURITY AWARENESS PROGRAM

PURPOSE

University of Detroit Mercy discloses to the University Community how they will be advised of security awareness programs that take place on University campuses. The Detroit Mercy Department of Public Safety is committed to hosting security awareness programs throughout the academic year.

SCOPE

This policy applies to employees, contractors, consultants, temporary help, and other workers at Detroit Mercy, including all personnel affiliated with third parties.

POLICY

Throughout the school term, students are informed of services offered by the Department of Public Safety. Students are told about crime on campus and in surrounding neighborhoods. Similar information is presented to new employees and to the parents of newly enrolled students during parent orientation sessions held throughout the school term. Crime Prevention Programs and Sexual Assault Prevention Programs are offered on a continual basis.

Periodically during the academic year, the Detroit Mercy Department of Public Safety, in cooperation with other local law enforcement agencies, university organizations and departments, present crime prevention awareness sessions:

- Sexual assault (rape and acquaintance rape)
- Physical abuse
- Theft
- Vandalism

- Personal Safety
- Residence Hall Security

Detroit Mercy Department of Public Safety has identified several agencies that offer educational programs to identify techniques to avoid sexual assault and date rape. Information on these agencies is located on the Department of Public Safety website www.udmercy.edu/publicsafety and in the Student Handbook and Calendar.

The University's Public Safety Department in cooperation with the University's Emergency Response Planning Committee hosted the first annual Safety Awareness Day in October. The purpose of the Awareness Day was to provide the University community with safety prevention information across a broad spectrum to empower individuals with the ability to make the best safety choices. Participants in the awareness day were the Detroit Mercy Department of Public Safety, Department of Residence Life, Department of Athletics, Metz Culinary Management, University Health Center, Dean of Students Office, LUMA Clean and Safe community outreach committee, The Women's Commission, Facility Operations, IT Department and the Student Senate.

A common theme of all awareness and crime prevention programs is to encourage students and employees to be aware of their responsibility for their own security and the security of others.

In addition to seminars, information is disseminated to students and employees through crime prevention awareness packets, security alert notices, displays, electronic marquee, articles and advertisements in university student newspaper, the Varsity News.

When time is of the essence, information is released to the University Community through "safety warnings" posted prominently throughout campus, on the Department of Public Safety website, www.udmercy.edu/publicsafety, and through emails to the University list server.

Scope

This Policy is only applicable to alleged incidents that occur after August 1, 2024. For alleged incidents occurring prior to August 1, 2024, the policy and procedures in place at the time of the alleged incident apply. Applicable versions of those policies and procedures are available from the Director.

This Policy applies to all faculty, employees, students, and other individuals participating in or attempting to participate in the University's program or activities, including education and employment.

This Policy prohibits all forms of discrimination on the basis of the protected characteristic(s) listed in the Notice of Nondiscrimination. The Nondiscrimination Procedures may be applied to incidents, to patterns, and/or to the institutional culture/climate, all of which may be addressed in accordance with this Policy.

Jurisdiction

This Policy applies to the University of Detroit Mercy's education programs and activities (defined as including locations, events, or circumstances in which the Recipient exercises substantial control over both the Respondent and the context in which the conduct occurred), circumstances where the University has disciplinary authority, and to misconduct occurring within any building owned or controlled by a University-recognized student organization. This Policy may also apply to the effects of off-campus misconduct that limit or deny a person's access to University of Detroit Mercy's education program or activities.

For disciplinary action to be issued under this Policy, the Respondent must be a University of Detroit Mercy faculty member, student, or employee at the time of the alleged incident. If the Respondent is unknown or is not a member of the University community, the Director will offer to assist the Complainant in identifying appropriate institutional and local resources and support options, and will implement appropriate supportive measures and/or remedial actions (e.g., trespassing a person from campus).

The Director may be able to assist and support a student or employee Complainant who experiences discrimination in an externship, study abroad program, or other environment external to the University of Detroit Mercy where sexual harassment or nondiscrimination policies and procedures of the facilitating or host organization may give the Complainant recourse. If there are effects of that external conduct that impact a student's or employee's work or educational environment, those effects can often be addressed remedially by the Director if brought to their attention.

Supportive Measures

University of Detroit Mercy will offer and implement appropriate and reasonable supportive measures to the Parties upon Notice of alleged discrimination, harassment, and/or retaliation. Supportive measures are non-disciplinary, non-punitive individualized services offered as appropriate and reasonably available. They are offered, without fee or charge to the Parties, to restore or preserve access to the University's education program or activity, including measures designed to protect the safety of all Parties and/or the University's educational environment and/or to deter discrimination, harassment, and/or retaliation.

The Director promptly makes supportive measures available to the Parties upon receiving Notice/Knowledge or a Complaint. At the time that supportive measures are offered, if a Complaint has not been filed, the University will inform the Complainant that they may file a Complaint with University of Detroit Mercy either at that time or in the future. The Director will work with a party to ensure that their wishes are considered with respect to any planned and implemented supportive measures.

The University will maintain the confidentiality of the supportive measures, provided that confidentiality does not impair the University's ability to provide those supportive measures. University of Detroit Mercy will act to ensure as minimal an academic/occupational impact on the Parties as possible. The University will implement measures in a way that does not unreasonably burden any party.

These actions may include, but are not limited to:

- Referral to counseling, medical, and/or other healthcare services
- Referral to the Employee Assistance Program
- Referral to community-based service providers
- Student financial aid counseling
- Education to the institutional community or community subgroup(s)
- Altering campus housing assignment(s)
- Altering work arrangements for employees or student-employees
- Safety planning
- Providing campus safety escorts
- Implementing contact limitations (no contact orders) between the Parties
- Academic support, extensions of deadlines, or other course/program-related adjustments
- Trespass or Persona Non Grata (PNG) orders
- Timely warnings
- Class schedule modifications, withdrawals, or leaves of absence
- Increased security and monitoring of certain areas of the campus
- Any other actions deemed appropriate by the Title IX Coordinator

Violations of no contact orders or other restrictions may be referred to appropriate student or employee conduct processes for enforcement or added as collateral misconduct allegations to an ongoing Complaint under this Policy.

The Parties are provided with a timely opportunity to seek modification or reversal of the University's decision to provide, deny, modify, or terminate supportive measures applicable to them. A request to do so should be made in writing to the Director. An impartial employee other than the employee who implemented the supportive measures, who has authority to modify or reverse the decision, will determine whether to provide, deny, modify, or terminate the supportive measures if they are inconsistent with the definition of supportive measures in § 106.2 of the federal Title IX Regulations.

Online Harassment and Misconduct

University of Detroit Mercy policies are written and interpreted broadly to include online manifestations of any of the behaviors prohibited below, when those behaviors occur in or have an effect on the University's education program and activities, or when they involve the use of University networks, technology, or equipment.

Although University of Detroit Mercy may not control websites, social media, and other venues through which harassing communications are made, when such communications are reported to University of Detroit Mercy, it will engage in a variety of means to address and mitigate the effects.

Prohibited Conduct

Students and employees are entitled to an employment and educational environment that is free of discrimination, harassment, and retaliation. This Policy is not meant to inhibit or prohibit educational content or discussions inside or outside of the classroom that include germane but controversial or sensitive subject matters protected by academic freedom. The sections below describe the specific forms of legally prohibited discrimination, harassment, and retaliation that are also prohibited under University Policy.

All offense definitions below encompass actual and/or attempted offenses.

Any of the following offenses can be charged as or combined as pattern offenses, in which case the Notice of Investigation and Allegation (NOIA) will clearly indicate that both individual incidents and a pattern of conduct are being investigated. A pattern may exist and be charged when there is a potential substantial similarity to incidents where the proof of one could make it more likely that the other(s) occurred, and vice-versa. Patterns may exist based on target selection, similarity of offense, or other factors. Where a pattern is found, it can be the basis to enhance sanctions accordingly.

Violation of any other University of Detroit Mercy policies may constitute discrimination or harassment when motivated by actual or perceived protected characteristic(s), and the result is a limitation or denial of employment or educational access, benefits, or opportunities.

Discrimination

Discrimination is different treatment with respect to an individual's employment or participation in an education program or activity based, in whole or in part, upon the individual's actual or perceived protected characteristic. Discrimination also includes allegations of a failure to provide reasonable accommodations as required by law or policy, such as for disability, religion, or creed.

Discrimination can take two primary forms:

1) Disparate Treatment Discrimination:

- Any intentional differential treatment of a person or persons that is based on an individual's actual or perceived protected characteristic and that:
 - Excludes an individual from participation in;
 - Denies the individual benefits of; or
 - Otherwise adversely affects a term or condition of an individual's participation in a University program or activity.

2) Disparate Impact Discrimination:

- Disparate impact occurs when policies or practices that appear to be neutral unintentionally result in a disproportionate impact on a protected group or person that:
 - Excludes an individual from participation in;
 - Denies the individual benefits of; or
 - Otherwise adversely affects a term or condition of an individual's participation in a University program or activity.

Discriminatory Harassment

- unwelcome conduct on the basis of actual or perceived protected characteristic(s), that
- based on the totality of the circumstances,
- is subjectively and objectively offensive, and
- is so severe or pervasive,
- that it limits or denies a person's ability to participate in or benefit from the University's education program or activity

Sex-based Harassment (Applicable under Title IX, Title VII, and the Fair Housing Act)

Sex-based Harassment is a form of sex discrimination and means sexual harassment and other harassment on the basis of sex, including sex stereotypes, sex characteristics, pregnancy or related conditions, sexual orientation, and gender identity; sexual assault, dating violence, domestic violence, and stalking.

1) Quid pro quo:

- an employee agent, or other person authorized by the University,
- to provide an aid, benefit, or service under the University's education program or activity,
- explicitly or impliedly conditioning the provision of such aid, benefit, or service,
- on a person's participation in unwelcome sexual conduct.

2) Hostile Environment Harassment:

- unwelcome sex-based conduct, that
- based on the totality of the circumstances,
- is subjectively and objectively offensive, and
- is so severe or pervasive,
- that it limits or denies a person's ability to participate in or benefit from the University's education program or activity

University of Detroit Mercy reserves the right to address offensive conduct and/or harassment that (1) does not rise to the level of creating a hostile environment, or (2) that is of a generic nature and not based on a protected characteristic. Addressing such conduct will not result in the imposition of discipline under University Policy, but may be addressed through respectful conversation, remedial actions, education, Alternative Resolution, or other mechanisms.

investigation or Resolution Process under the Nondiscrimination Procedures, including an Alternative Resolution process, or in any other appropriate steps taken by University of Detroit Mercy to promptly and effectively end any discrimination in its education program or activity, prevent its recurrence, and remedy its effects.

Consent, Force, and Incapacitation

As used in this Policy, the following definitions and understandings apply:

1) Consent

Consent is defined as:

- knowing, and
- voluntary, and
- clear permission
- by word or action
- to engage in sexual activity.

2) Force

Force is the use of physical violence and/or physical imposition to gain sexual access. Sexual activity that is forced is, by definition, non-consensual, but non-consensual sexual activity is not necessarily forced. Force is conduct that, if sufficiently severe, can negate consent.

Force also includes threats, intimidation (implied threats), and coercion that is intended to overcome resistance or produce consent. Coercion is unreasonable pressure for sexual activity.

3) Incapacitation

Incapacitation is a state where a person is incapable of giving consent. An incapacitated person cannot make rational, reasonable decisions because they lack the capacity to give knowing/informed consent (e.g., to understand the “who, what, when, where, why, and how” of their sexual interaction). A person cannot consent if they are unable to understand what is happening or are disoriented, helpless, asleep, or unconscious for any reason, including because of alcohol or other drug consumption.

This Policy also covers a person whose incapacity results from a temporary or permanent physical or mental health condition, involuntary physical restraint, and/or the consumption of incapacitating substances.

Consensual Relationships

- A. **In General:** There are special risks in any sexual or romantic relationship between individuals in inherently unequal positions of power. In the University context, such positions include but are not limited to teacher and student, supervisor and employee, tenured faculty and pre-tenure faculty, mentor and trainee, teaching assistant and student, coach and athlete, preceptor and student, staff and student, and the individuals who supervise the day-to-day student living environment and student residents. These relationships may, moreover, be less consensual than the individual whose position confers power believes. The relationship is likely to be perceived in different ways by each of the parties to it, especially in retrospect. The asymmetry of the relationship can lead to a potentially exploitative relationship. Where such a relationship exists, the University will in general be unsympathetic to a defense based upon consent when the facts establish that a power differential based on role existed within the relationship.
- B. **With Students.** Romantic and/or sexual relationships between faculty and student, even mutually consenting ones, are a basic violation of professional ethics and responsibility when the faculty member has any responsibility for the student’s academic performance or professional development. For the foregoing reasons, all romantic and/or sexual relationships between faculty and students in the instructional context are prohibited. No faculty member shall have a romantic and/or sexual relationship with a student who is enrolled in a course being taught by the faculty member or whose academic work is being supervised, directly or indirectly, by the faculty member. Romantic and/or sexual relationships between faculty and students that occur outside of the instructional or supervisory context may also lead to difficulties. The University reserves the right to impose any level of sanction ranging from a warning up to and including suspension or expulsion/termination, for any offense under this portion of the Nondiscrimination Policy.

Standard of Proof

University of Detroit Mercy uses the preponderance of the evidence standard of proof when determining whether a Policy violation occurred. This means that the University will decide whether it is more likely than not, based upon the available information at the time of the decision, that the Respondent is responsible for the alleged Policy violation(s).

Notice of Discrimination, Harassment, or Retaliation

A Report provides notice to University of Detroit Mercy of an allegation or concern about discrimination, harassment, or retaliation and provides an opportunity for the Director to provide information, resources, and supportive measures. A Complaint provides notice to the University that the Complainant would like to initiate an investigation or other appropriate resolution procedures. A Complainant or individual may initially make a Report and may decide at a later time to make a Complaint. Reports or Complaints of discrimination, harassment, and/or retaliation may be made using any of the following options:

- 1) File a Complaint with, or give Notice directly to, the Director or to any member of the Nondiscrimination Team. Such Notice may be made at any time by using the telephone number, email address, or by mail to the office of the Director or any other Nondiscrimination Team member listed in this Policy.
- 2) Submit online Notice using [this reporting form](#). Anonymous Notice is accepted, but the Notice may give rise to a need to try to determine the Parties' identities. Anonymous Notice typically limits the Recipient's ability to investigate, respond, and provide remedies.

Reporting carries no obligation to initiate a Complaint, and in most situations, University of Detroit Mercy is able to respect a Complainant's request to not initiate a resolution process. However, there may be circumstances, such as pattern behavior, allegations of severe misconduct, or a compelling threat to health and/or safety, where the University may need to initiate a resolution process. If a Complainant does not wish to file a Complaint, the University will maintain the privacy of information to the extent possible.

Mandated Reporting and Confidential Employees

All University of Detroit Mercy faculty and employees, other than those deemed Confidential Employees, are Mandated Reporters and are expected to promptly report all known details of actual or suspected sex discrimination, sex-based harassment, and/or retaliation to appropriate officials immediately, although there are some limited exceptions. Supportive measures may be offered as the result of such disclosures without formal University action.

The following sections describe the University of Detroit Mercy reporting options for a Complainant or third party (including parents/guardians when appropriate):

Confidential Employees

To enable Complainants to access support and resources without filing a Complaint, the University has designated specific employees as Confidential Resources. Those designated by the University as Confidential Resources are not required to report actual or suspected discrimination, harassment, or retaliation in a way that identifies the Parties. They will, however, provide the Complainant with the Title IX Coordinator's contact information and offer options and resources without any obligation to inform an outside agency or University official unless a Complainant has requested the information be shared.

There are three categories of Confidential Employees: 1) Those with confidentiality bestowed by law or professional ethics, such as lawyers, medical professionals, clergy, and counselors; 2) Those whom University of Detroit Mercy has specifically designated as confidential for purposes of providing support and resources to the Complainant; and 3) Those conducting human subjects research as part of a study approved by the University's Institutional Review Board (IRB). For those in category 1), above, to be able to respect confidentiality, they must be in a confidential relationship with the person reporting, such that they are within the scope of their licensure, professional ethics, or confidential role at the time of receiving the Notice. These individuals will maintain confidentiality except in extreme cases of immediacy of threat or danger or when required to disclose by law or court order.

If a Complainant would like the details of an incident to be kept confidential, the Complainant may speak with the following Confidential Employees:

- Wellness Center Staff
- Director of Student Health and Wellness Services, School of Dentistry
- Members of the Society of Jesus and Religious Sisters of Mercy working in their clerical capacity

Failure of a Mandated Reporter, as described above in this section, to report an incident of discrimination, harassment, or retaliation of which they become aware is a violation of University of Detroit Mercy Policy and can be subject to disciplinary action for failure to comply/failure to report. This also includes situations when a harasser is a Mandated Reporter. Such individuals are obligated to report their own misconduct, and failure to do so is a chargeable offense under this Policy.

A Mandated Reporter who is themselves a target of harassment or other misconduct under this Policy is not required to report their own experience, though they are, of course, encouraged to do so.

In addition, Complainants may speak with individuals unaffiliated with University of Detroit Mercy without concern that Policy will require them to disclose information to the institution without permission:

- Licensed professional counselors and other medical providers
- Local rape crisis counselors
- Domestic violence resources
- Local or state assistance agencies
- Clergy/Chaplains

- Attorneys

Disability-based Grievances and Complaints

Grievances related to provision of disability accommodations are addressed using the procedures listed on the Student Accessibility Services website. However, allegations of discrimination on the basis of an actual or perceived disability will be resolved under the Resolution Process defined in this policy.

Time Limits on Reporting

There is no time limitation on providing Reports or Complaints to the Director. However, if the Respondent is no longer subject to the University's jurisdiction and/or significant time has passed, the ability to investigate, respond, and/or provide remedies may be more limited or impossible.

Acting on Reports or Complaints significantly impacted by the passage of time (including, but not limited to, the rescission or revision of Policy) is at the Director's discretion; they may document allegations for future reference, offer supportive measures and/or remedies, and/or engage in informal or formal action, as appropriate.

False Allegations and Evidence

Deliberately false and/or malicious accusations under this Policy are a serious offense and will be subject to appropriate disciplinary action. This does not include allegations that are made in good faith but are ultimately shown to be erroneous or do not result in a determination of a Policy violation.

Additionally, witnesses and Parties who knowingly provide false evidence, tamper with or destroy evidence, or deliberately mislead an official conducting an investigation or resolution process can be subject to discipline under appropriate University policies.

Confidentiality/Privacy

University of Detroit Mercy makes every effort to preserve the Parties' privacy. The University will not share the identity of any individual who has made a Complaint of harassment, discrimination, or retaliation; any Complainant; any individual who has been reported to be the perpetrator of discrimination, harassment, or retaliation; any Respondent; or any witness, except as permitted by, or to fulfill the purposes, of applicable laws and regulations (e.g.,

Title IX), Family Educational Rights and Privacy Act (FERPA) and its implementing regulations, or as required by law; including any investigation, or resolution proceeding arising under these policies and procedures.^{3,4}

Unauthorized Disclosure of Information

Parties and Advisors are prohibited from unauthorized disclosure of information obtained by the University through the Resolution Process, to the extent that information is the work product of the University of Detroit Mercy (meaning it has been produced, compiled, or written by the University for purposes of its investigation and resolution of a Complaint). It is also a violation of University Policy to publicly disclose work product or a party's personally identifiable information without authorization or consent. Violation of this Policy is subject to significant sanctions.

Emergency Removal/Interim Actions/Leaves

The University can act to remove a student Respondent accused of Sex Discrimination or Sex-based Harassment from its education program or activities, partially or entirely, on an emergency basis when an individualized safety and risk analysis has determined that an imminent threat to the physical health or safety of any student or other individual justifies removal. This risk analysis is performed by the Title IX Coordinator and may be done in conjunction with other campus authorities using standard objective violence risk assessment procedures. Employees are subject to existing procedures for interim actions and leaves.

Federal Timely Warning Obligations

University of Detroit Mercy must issue timely warnings for reported incidents that pose a serious or continuing threat of bodily harm or danger to members of the University community.

The University will ensure that a Complainant's name and other identifying information is not disclosed, while still providing enough information for community members to make safety decisions in light of the potential danger.

Amnesty

The University community encourages the reporting of misconduct and crimes by Complainants and witnesses. Sometimes, Complainants or witnesses are hesitant to give Notice to University officials or participate in resolution processes because they fear that they themselves may be in violation of certain policies, such as underage drinking

³ 20 U.S.C. 1232g

⁴ 34 C.F.R. § 99

or use of illicit drugs at the time of the incident. Respondents may hesitate to be forthcoming during the process for the same reasons.

It is in the best interests of the University community that Complainants choose to give Notice of misconduct to University of Detroit Mercy officials, that witnesses come forward to share what they know, and that all Parties be forthcoming during the process.

To encourage reporting and participation in the process, University of Detroit Mercy maintains a Policy of offering Parties and witnesses amnesty from minor policy violations, such as underage alcohol consumption or the use of illicit drugs, related to the incident. Granting amnesty is a discretionary decision made by the University and does not apply to more serious allegations.

Preservation of Evidence

The preservation of evidence is critical to potential criminal prosecution and to obtaining restraining/protective orders, and it is particularly time sensitive. University of Detroit Mercy will inform the Complainant, if relevant, of the importance of preserving evidence by taking actions such as the following:

Sexual Assault

- Seek forensic medical assistance at the nearest hospital, ideally within 120 hours of the incident (sooner is better).
- Avoid urinating, showering, bathing, washing hands or face, or douching, if possible, but evidence may still be collected even if you do.
- If oral sexual contact took place, refrain from smoking, eating, drinking, or brushing teeth.
- If clothes are changed, place soiled clothes in a paper bag or a secure evidence container
- Seeking medical treatment can be essential, even if it is not for the purposes of collecting forensic evidence.

Stalking/Dating Violence/Domestic Violence/Sex-Based Harassment

- Evidence in the form of text and voice messages will be lost in most cases if the Complainant changes their phone number.
 - Make a secondary recording of any voice messages and/or save the audio files to a cloud server.
 - Take screenshots and/or a video recording of any text messages or other electronic messages.
- Save copies of email and social media correspondence, including notifications related to account access alerts.
- Take timestamped photographs of any physical evidence, including notes, gifts, etc., in place when possible.
- Save copies of any messages, including those showing any request for no further contact.
- Obtain copies of call logs showing the specific phone number being used rather than a saved contact name if possible.

Federal Statistical Reporting Obligations

Certain institutional officials (those deemed Campus Security Authorities) have a duty to report the following for federal statistical reporting purposes (Clery Act):

- 1) All “primary crimes,” which include criminal homicide, sexual assault, robbery, aggravated assault, burglary, motor vehicle theft, and arson
- 2) Hate crimes, which include any bias-motivated primary crime as well as any bias-motivated larceny or theft, simple assault, intimidation, or destruction/damage/vandalism of property
- 3) Violence Against Women Act (VAWA-based crimes), which include sexual assault, domestic violence, dating violence, and stalking
- 4) Arrests and referrals for disciplinary action for weapons law violations, liquor law violations, and drug law violations

All personally identifiable information is kept private, but statistical information regarding the type of incident and its general location (on- or off-campus or in the surrounding area, but no addresses are given) must be shared with the Department of Public Safety for publication in the Annual Security Report and daily campus crime log.

Independence and Conflicts of Interest

The Director acts with independence and authority, free from bias and conflicts of interest. The Director oversees all resolutions under this Policy and these procedures. Individuals involved in the resolution process are vetted and trained to ensure they are not biased for or against any party in a specific Complaint, or for or against Complainants and/or Respondents, generally.

To raise any concern involving bias, conflict of interest, misconduct, or discrimination by the Director, contact the University of Detroit Mercy President or Provost and Vice President for Academic Affairs. Concerns of bias, misconduct, discrimination, or a potential conflict of interest by any other member of the resolution process should be raised with the Director.

Revision of this Policy

This Policy succeeds previous policies addressing discrimination, harassment, sexual misconduct, and/or retaliation, though previous policies and procedures remain in force for incidents occurring before August 1, 2024. The Director reviews and updates these policies and procedures regularly. University of Detroit Mercy reserves the right to make changes to this document as necessary, and once those changes are posted online, they are in effect.

If government laws or regulations change or court decisions alter the requirements in a way that impacts this document, this document will be construed to comply with the most recent government laws, regulations, or court holdings.

This document does not create legally enforceable protections beyond the protections of the background state and federal laws that frame such policies and codes, generally.

This Policy is effective August 1, 2024.

RESOLUTION PROCESS AND PROCEDURES FOR ALLEGED VIOLATIONS OF NONDISCRIMINATION POLICY

Overview

University of Detroit Mercy will act on any Notice, Complaint, or Knowledge of a potential violation of the Nondiscrimination Policy (“the Policy”) that is received by the Director or any other member of the Nondiscrimination Team by applying the Resolution Process below.

The procedures below apply to all allegations of discrimination on the basis of an actual or perceived protected characteristic, harassment, retaliation, or Other Prohibited Conduct as involving students, employees, or third parties.

Notice/Complaint

Upon receipt of Notice, a Complaint, or Knowledge of an alleged Policy violation, the Director or a designee will initiate a prompt initial evaluation to determine the University’s next steps. The Director or designee will contact the Complainant to offer supportive measures, provide information regarding resolution options, and determine how they wish to proceed.

Collateral Misconduct

Collateral misconduct is defined to include potential violations of other University of Detroit Mercy policies not incorporated into the Nondiscrimination Policy that occur in conjunction with alleged violations of the Policy, or that arise through the course of the investigation, for which it makes sense to provide one resolution for all charges. Thus, the collateral allegations may be charged along with potential violations of the Policy, to be resolved jointly under these Procedures. In such circumstances, the Director may consult with University officials who typically oversee such conduct to solicit their input as needed on what charges should be filed, but the exercise of collateral charges under these procedures is within the discretion of Director. All other allegations of misconduct unrelated to incidents covered by the Policy will typically be addressed separately through procedures described in the student and employee handbooks.

Initial Evaluation

The Director conducts an initial evaluation typically within ten (10) business days of receiving Notice, Complaint, or Knowledge of alleged misconduct. The initial evaluation typically includes an assessment of whether the reported conduct may reasonably constitute a violation of the policy, an assessment of jurisdiction, and offering and coordinating supportive measures for the Complainant and the Respondent, as applicable.

Dismissal

University of Detroit Mercy may dismiss a Complaint if, at any time during the investigation or Resolution Process, one or more of the following grounds are met:

- 1) The University is unable to identify the Respondent after taking reasonable steps to do so
- 2) The University no longer enrolls or employs the Respondent
- 3) A Complainant voluntarily withdraws any or all of the allegations in the Complaint, and the Director declines to initiate a Complaint
- 4) The University determines the conduct alleged in the Complaint would not constitute a Policy violation, if proven

Upon any dismissal, University of Detroit Mercy will promptly send the Complainant written notification of the dismissal and the rationale for doing so. If the dismissal occurs after the Respondent has been made aware of the allegations, the University will also notify the Respondent of the dismissal.

Appeal of Dismissal

The Complainant may appeal a dismissal of their Complaint. The Respondent may also appeal the dismissal of the Complaint if dismissal occurs after the Respondent has been made aware of the allegations. All dismissal appeal requests must be filed within three (3) business days of the notification of the dismissal.

The grounds for dismissal appeals are limited to:

- 1) Procedural irregularity that would change the outcome;
- 2) New evidence that would change the outcome and that was not reasonably available when the dismissal was decided;
- 3) The Director, Investigator, or Decision-maker had a conflict of interest or bias for or against complainants or respondents generally or the individual Complainant or Respondent that would change the outcome.
- 4) The dismissal was erroneously granted or denied

Emergency Removal or Interim Suspension of a Student

University of Detroit Mercy may emergency remove a student accused of Sex Discrimination or Sex-based Harassment upon receipt of Notice, Knowledge, a Complaint, or at any time during the resolution process. Prior to an emergency removal, University will conduct an individualized risk assessment and may remove the student if that assessment determines that an imminent and serious threat to the health or safety of a Complainant or any students, employees, or other persons arising from the allegations of sex discrimination justifies such action. Students accused of other forms of discrimination not on the basis of sex are subject to interim suspension, which can be imposed for safety reasons.

When an emergency removal or interim suspension is imposed, wholly or partially, the affected student will be notified of the action, which will include a written rationale, and the option to challenge the emergency removal or interim suspension within two (2) business days of the notification. Upon receipt of a challenge, the Director or a designee will meet with the student as soon as reasonably possible thereafter to allow them to show cause why the removal/action should not be implemented or should be modified.

Placing an Employee on Leave

When the Respondent is an employee, existing Human Resources processes for interim action are typically applicable instead of the above emergency removal process.

Counter-Complaints

University of Detroit Mercy is obligated to ensure that the resolution process is not abused for retaliatory purposes. Although the University permits the filing of Counter-Complaints, the Director will use an initial evaluation, described above, to assess whether the allegations in the Counter-Complaint are made in good faith. When Counter-Complaints are not made in good faith, they will not be permitted. They will be considered potentially retaliatory and may constitute a violation of the Policy.

Counter-Complaints determined to have been reported in good faith will be processed using the Resolution Process below. At the Director's discretion, investigation of such claims may take place concurrently or after resolution of the underlying initial Complaint.

Advisors in the Resolution Process

The Parties may each have an Advisor present with them for all meetings and interviews within the Resolution Process, including intake. The Parties may select whomever they wish to serve as their Advisor as long as the Advisor is eligible and available. Employees who are part of a collective bargaining agreement with University of Detroit

Mercy may have a union representative as an Advisor. The Director will offer to assign a trained Advisor to any party if the party chooses.

Advisors are expected to maintain the confidentiality of the records the University shares with them. Advisors may not disclose any University work product or evidence the University obtained solely through the Resolution Process for any purpose not explicitly authorized by University of Detroit Mercy.

Resolution Option Overview

This Resolution Process, consisting of Alternative Resolution or Administrative Resolution, is the University's chosen approach to addressing all forms of discrimination on the basis of protected characteristics, harassment, and retaliation. Parties may also choose only to receive reasonable supportive measures that are designed to restore or preserve the Complainant's access to the University's education program and activity. The process considers the Parties' preferences but is ultimately determined at the Director's discretion.

Resolution proceedings are confidential. All individuals present at any time during the Resolution Process are expected to maintain the confidentiality of the proceedings in accordance with University of Detroit Mercy Policy.

Alternative Resolution

To initiate Alternative Resolution, a Complainant or Respondent may make such a request to the Director at any time prior to a final determination, or the Director may offer the option to the Parties. University of Detroit Mercy will obtain voluntary, written confirmation that all Parties wish to resolve the matter through Alternative Resolution before proceeding. Any party participating in Alternative Resolution can withdraw from the Alternative Process at any time and may initiate or resume the Administrative Resolution Process.

Alternative Resolution may involve agreement to pursue individual or community remedies, including educational programming or training; direct conversation or interaction with the Respondent(s); indirect action by the Director or other appropriate University officials; and other forms of resolution that can be tailored to the needs of the Parties.

The Director has the authority to determine whether Alternative Resolution is available or successful, to facilitate a resolution that is acceptable to all Parties, and/or to accept the Parties' proposed resolution. The Director maintains records of any resolution that is reached and will provide notification to the Parties of what information is maintained. Failure to abide by the resolution agreement may result in appropriate responsive/disciplinary actions. The results of Complaints resolved by Alternative Resolution are not appealable.

Administrative Resolution (see below)

Notice of Investigation and Allegations

Prior to an investigation, the Director will provide the Parties with a detailed written Notice of Investigation and Allegations (NOIA). Amendments and updates to the NOIA may be made as the investigation progresses and more information becomes available regarding the addition or dismissal of various allegations.

The NOIA typically includes:

- A meaningful summary of all allegations
- The identity of the involved Parties (if known)
- The precise misconduct being alleged
- The date and location of the alleged incident(s) (if known)
- The specific policies/offenses implicated
- A description of, link to, or copy of the applicable procedures
- A statement that the Parties are entitled to an equal opportunity to access the relevant and not otherwise impermissible evidence
- A statement that the University of Detroit Mercy presumes the Respondent is not responsible for the reported misconduct unless and until the evidence supports a different determination
- A statement that retaliation is prohibited
- A statement that the Parties may have an Advisor of their choice who may accompany them through all steps of the Resolution Process
- Detail on how a party may request disability accommodations during the Resolution Process

Notification will be emailed to the Parties' University-issued email or designated accounts. Once sent, the notification will be presumptively delivered.

Resolution Timeline

University of Detroit Mercy will make a good faith effort to complete the Resolution Process within ninety to one hundred twenty (90-120) business days, including any appeals, which can be extended as necessary for appropriate cause by the Director. The Parties will receive regular updates on the progress of the Resolution Process, as well as notification and a rationale for any extensions or delays, and an estimate of how much additional time will be needed to complete the process.

If a party or witness chooses not to participate in the Resolution Process or becomes unresponsive, the University reserves the right to continue it without their participation to ensure a prompt resolution. Non-participatory or

unresponsive Parties retain the rights outlined in this Policy and the opportunity to participate in the Resolution Process.

The University may undertake a short delay in its investigation (several days to a few weeks) if circumstances require. The University will promptly resume its Resolution Process as soon as feasible. The University will make a good faith effort to complete the Resolution Process as promptly as circumstances permit and will communicate regularly with the Parties to update them on the progress and timing of the process. Interim and/or supportive measures will remain in place for the duration of the Resolution Process, including any extensions or delays.

Ensuring Impartiality

Any individual materially involved in the administration of the Resolution Process, including the Director, Investigator(s), and Decision-maker(s), may neither have nor demonstrate a conflict of interest or bias for a party generally, or for a specific Complainant or Respondent.

The Director will vet the assigned Investigator(s), Decision-maker(s), and Appeals officers for impartiality by ensuring there are no actual or apparent conflicts of interest or disqualifying biases. At any time during the Resolution Process, the Parties may raise a concern regarding bias or conflict of interest, and the Director will determine whether the concern is reasonable and supportable. If so, another individual will be assigned, and the impact of the bias or conflict, if any, will be remedied. If the source of the conflict of interest or bias is the Director, concerns should be raised with the Provost and Vice President for Academic Affairs.

Interview Recording

For allegations of sex-based harassment involving a student Complainant or Respondent using the Administrative Resolution Process, the Investigator(s) will record all interviews. The Parties may review copies of their own interviews, upon request. No unauthorized audio or video recording of any kind is permitted during investigation meetings. The recording and/or transcript of those meetings will be provided to the Parties for their review, after which the Parties may pose additional questions to each other. Those subsequent meetings or interviews are also recorded and/or transcribed and shared with the Parties.

Evidentiary Considerations

The Investigator(s) and the Decision-maker(s) will only consider evidence that is deemed relevant and not otherwise impermissible. Relevant evidence is that which may aid in determining whether the allegation occurred, or whether the behavior constitutes a violation of Policy. The following types of evidence, and questions seeking that evidence, are impermissible regardless of whether they are relevant:

- Evidence that is protected under a privilege recognized by federal or state law or evidence provided to a confidential employee, unless the person to whom the privilege or confidentiality is owed has voluntarily waived the privilege or confidentiality;
- A Party's or witness's records that are made or maintained by a physician, psychologist, or other recognized professional or paraprofessional in connection with the provision of treatment to the party or witness, unless University of Detroit Mercy obtains that party's or witness's voluntary, written consent for use in its grievance procedures; and
- Evidence that relates to the complainant's sexual interests or prior sexual conduct, unless evidence about the complainant's prior sexual conduct is offered to prove that someone other than the respondent committed the alleged conduct or is evidence about specific incidents of the complainant's prior sexual conduct with the respondent that is offered to prove consent to the alleged sex-based harassment. The fact of prior consensual sexual conduct between the complainant and respondent does not by itself demonstrate or imply the complainant's consent to the alleged sex-based harassment or preclude determination that sex-based harassment occurred.

Respondent Admits Responsibility

At any point in the proceedings, if a Respondent elects to admit to the charged violations and waive further process, the Decision-maker is authorized to accept that admission, adopt it as their finding/final determination, and administer sanctions. This would also waive all rights to appeal for the Respondent. If the Respondent rejects the finding/final determination/sanctions, or does not admit to all conduct charged, the Resolution Process continues to its conclusion.

Investigation

All investigations are adequate, thorough, reliable, impartial, prompt, and fair. They involve interviews with all relevant Parties and witnesses, obtaining relevant evidence, and identifying sources of expert information, as necessary.

The University may consolidate Complaints against more than one Respondent, or by more than one Complainant against one or more Respondents, when the allegations arise from the same facts or circumstances or implicate a pattern, collusion, and/or other shared or similar actions.

Administrative Resolution Process

The Administrative Resolution Process is used for Complaints of discrimination on the basis of protected characteristics, harassment, retaliation, and Other Prohibited Behaviors (as defined in Policy) or when Alternative Resolution is either not elected or is unsuccessful.

The Administrative Resolution Process relies on an investigation and all relevant evidence to make a finding and determine sanctions, if applicable. The University makes a good faith effort to complete the Administrative Resolution Process within a reasonably prompt timeframe, typically thirty to sixty (30-60) business days from the conclusion of the investigation. The Parties will be updated regularly and notified of any significant delays or deviations from the stated timeline.

Administrative Resolution Process for Allegations of Sex-Based Harassment With Student Complainant or Respondent

When the Administrative Resolution Process is used to resolve Complaints of sex-based harassment involving a student Complainant or student Respondent, the investigation report and all relevant evidence will be provided to a Decision-maker who is not the Investigator who will review the report, question parties and witnesses in individual meetings, and make a finding and determine sanctions, if applicable.

After reviewing the investigation report, the Decision-maker will question Parties and witnesses to adequately assess a Party's or witness's credibility to the extent credibility is both in dispute and relevant to evaluating one or more allegations of sex-based harassment. The process for proposing and asking relevant and not otherwise impermissible questions and follow-up questions of Parties and witnesses, including questions challenging credibility, will:

- Allow the Decision-maker to ask such questions during individual meetings with a Party or witness, directly or through the Investigator;
- Allow each Party to propose such questions that the Party wants asked of any Party or witness and have those questions asked by the Decision-maker during one or more individual meetings, including follow-up meetings, with a Party or witness, subject to the procedures for evaluating and limiting questions discussed below; and
- Provide each Party with an audio or audiovisual recording or transcript with enough time for the Party to have a reasonable opportunity to propose follow-up questions.

The Decision-maker will determine whether a proposed question is relevant and not otherwise impermissible before the question is posed and will explain any decision to exclude a question as not relevant or otherwise impermissible. Questions that are unclear or harassing of the Party or witness being questioned will not be permitted.

The Decision-maker may choose to place less or no weight upon statements by a Party or witness who refuses to respond to questions deemed relevant and not impermissible. The Decision-maker will not draw an inference about whether sex-based harassment occurred based solely on a Party's or witness's refusal to respond to such questions.

At their discretion, the Decision-maker may also meet with any Party or witness to ask additional relevant questions that will aid the Decision-maker in making their determination.

The Decision-maker's determination process typically takes approximately ten (10) business days, but this timeframe can vary based on a number of factors.

Sanctions

Factors considered when determining sanctions and responsive actions may include, but are not limited to:

- The nature, severity of, and circumstances surrounding the violation(s)
- The Respondent's disciplinary history
- The need for sanctions/responsive actions to bring an end to the discrimination, harassment, and/or retaliation
- The need for sanctions/responsive actions to prevent the future recurrence of discrimination, harassment, and/or retaliation
- The need to remedy the effects of the discrimination, harassment, and/or retaliation on the Complainant and the community
- The impact on the Parties
- Any other information deemed relevant by the Decision-maker(s)

The sanctions will be implemented as soon as it is feasible once a determination is final, either upon the outcome of any appeal or the expiration of the window to appeal, without an appeal being requested.

Notice of Outcome

Within thirty (30) business days of the conclusion of the Resolution Process, the Director provides the Parties with a written outcome notification. The outcome notification will specify the finding for each alleged Policy violation, any applicable sanctions that the University is permitted to share pursuant to state or federal law, and a rationale supporting the findings.

The notification will also detail the Parties' equal rights to appeal, the grounds for appeal, the steps to take to request an appeal, and when the determination is considered final if neither party appeals.

The Director will provide the Parties with the outcome notification simultaneously, or without significant time delay between notifications. The written outcome notification will be emailed to the Parties' University-issued email account. Once sent, the outcome notification is presumptively delivered.

Withdrawal or Resignation Before Complaint Resolution

Students

Should a student Respondent decide not to participate in the Resolution Process, the process proceeds absent their participation to a reasonable resolution. If a student Respondent withdraws from the University, the Resolution Process may continue, or the Director may exercise their discretion to dismiss the Complaint. If the Complaint is dismissed, University of Detroit Mercy will still provide reasonable supportive or remedial measures as deemed necessary to address safety and/or remedy any ongoing effects of the alleged harassment, discrimination, and/or retaliation.

Regardless of whether the Complaint is dismissed or pursued to completion of the Resolution Process, University of Detroit Mercy will continue to address and remedy any systemic issues or concerns that may have contributed to the alleged violation(s), and any ongoing effects of the alleged discrimination, harassment, and/or retaliation.

When a student withdraws or leaves while the process is pending, the student may not return to the University in any capacity until the Complaint is resolved and any sanctions imposed are satisfied. If the student indicates they will not return, the Director has discretion to dismiss the Complaint. The Registrar and Office of Admissions will be notified, accordingly.

If the student Respondent takes a leave for a specified period of time (e.g., one semester or term), the Resolution Process may continue remotely. If found in violation, that student is not permitted to return to the University unless and until all sanctions, if any, have been satisfied.

Employees

Should an employee Respondent decide not to participate in the Resolution Process, the process proceeds absent their participation to a reasonable resolution. If an employee Respondent withdraws from the University with unresolved allegations pending, the Resolution Process may continue, or Director may exercise their discretion to dismiss the Complaint. If the Complaint is dismissed, the University may still provide reasonable supportive or remedial measures as deemed necessary to address safety and/or remedy any ongoing effects of the alleged discrimination, harassment, and/or retaliation.

When an employee resigns and the Complaint is dismissed, the employee may not return to the University in any capacity and a note will be placed in the employee's file that they resigned with allegations pending and are not eligible for academic admission or rehire with the University. The records retained by the Director will reflect that status.

Appeal of the Determination

The Director will designate a trained Appeal Decision-maker to hear the appeal. No Appeal Decision-maker(s) will have been previously involved in the Resolution Process for the Complaint, including in any supportive measure or dismissal appeal that may have been heard earlier in the process.

Appeal Grounds

Appeals are limited to the following grounds:

- 1) A procedural irregularity that would change the outcome
- 2) New evidence that would change the outcome and that was not reasonably available at the time the determination regarding responsibility or dismissal was made
- 3) The Director, Investigator(s), or Decision-maker(s) had a conflict of interest or bias for or against Complainants or Respondents generally or the specific Complainant or Respondent that would change the outcome
- 4) The final determination is substantially contrary to the weight of the evidence in the record

Request for Appeal

Any party may submit a written request for appeal ("Request for Appeal") to the Director within five (5) business days of the delivery of the Notice of Outcome.

The Request for Appeal will be forwarded to the Appeal Decision-maker for consideration to determine if the request meets the grounds for appeal. This is not a review of the merits of the appeal, but solely a determination as to whether the request could reasonably be construed to meet the grounds and is timely filed.

Appeal Determination Process

In most cases, appeals are confined to a review of the written documentation or record of the original determination and pertinent documentation regarding the specific appeal grounds. The Appeals Decision-maker will deliberate as soon as is practicable and discuss the merits of the appeal.

Appeal decisions are to be deferential to the original determination, making changes to the finding only when there is clear error and to the sanction(s)/responsive action(s) only if there is a compelling justification to do so. All decisions are made using the preponderance of the evidence standard.

Appeal Outcome

An appeal may be granted or denied. A Notice of Appeal Outcome letter will be sent to all Parties simultaneously, or without significant time delay between notifications. Written notification will be emailed to the Parties' University-issued email or otherwise approved account. Once sent, the Appeal Outcome will be presumptively delivered. Once an appeal is decided, the outcome is final and constitutes the Final Determination; further appeals are not permitted.

Sanction Status During the Appeal

Any sanctions imposed as a result of the determination are stayed during the appeal process, and supportive measures may be maintained or reinstated until the appeal determination is made.

Long-Term Remedies/Other Actions

Following the conclusion of the Resolution Process, and in addition to any sanctions implemented or Informal Resolution terms, the Director may implement additional long-term remedies or actions with respect to the Parties and/or the University community that are intended to stop the discrimination, harassment, and/or retaliation, remedy the effects, and prevent recurrence.

These remedies/actions may include, but are not limited to:

- Referral to counseling and health services
- Referral to the Employee Assistance Program
- Course and registration adjustments, such as retroactive withdrawals
- Education to the individual and/or the community
- Permanent alteration of housing assignments
- Provision of campus safety escorts
- Climate surveys
- Policy modification and/or training

- Implementation of long-term contact limitations between the Parties
- Implementation of adjustments to academic deadlines, course schedules, etc.

At the discretion of the Director, certain long-term supportive measures may also be provided to the Parties even if no Policy violation is found.

When no Policy violation is found, the Director will address any remedies the University owes the Respondent to ensure no effective denial of educational access.

University of Detroit Mercy will maintain the confidentiality of any long-term remedies/actions/measures, provided confidentiality does not impair the University's ability to provide these services.

Failure to Comply with Sanctions, Responsive Actions, and/or Informal Resolution Terms

All Respondents are expected to comply with the assigned sanctions, responsive actions, corrective actions, and/or Alternative Resolution terms within the timeframe specified by the final Decision-maker(s), including the Appeal Decision-maker or the Alternative Resolution agreement.

Failure to abide by the sanction(s)/action(s) imposed by the date specified, whether by refusal, neglect, or any other reason, may result in additional sanction(s)/action(s), including suspension, expulsion, and/or termination from the University.

Recordkeeping

For a period of at least seven (7) years following the conclusion of the Resolution Process, University of Detroit Mercy will maintain records of:

- 1) Each discrimination, harassment, and retaliation resolution process, including determination regarding responsibility or appeal, and any audio or audiovisual recording or transcript required under federal regulation
- 2) Any disciplinary sanctions imposed on the Respondent
- 3) Any supportive measures provided to the Parties and any remedies provided to the Complainant or the community designed to restore or preserve equal access to the University's education program or activity
- 4) Any appeal and the result therefrom
- 5) Any Alternative Resolution and the result therefrom
- 6) All materials used to train all employees consistent with the requirements in the Title IX Regulations.

University of Detroit Mercy will also maintain any and all records in accordance with state and federal laws.

Accommodations and Support During the Resolution Process

Disability Accommodations

University of Detroit Mercy is committed to providing reasonable accommodations and support to qualified students, employees, or others with disabilities to ensure equal access to the University's Resolution Process.

Anyone needing such accommodations or support should contact the Director, who will work with disability support colleagues as appropriate to review the request and, in consultation with the person requesting the accommodation, determine which accommodations are appropriate and necessary for full process participation.

Revision of these Procedures

These procedures succeed any previous procedures addressing discrimination, harassment, and retaliation for incidents occurring on or after August 1, 2024. The Director will regularly review and update these procedures. The University reserves the right to make changes to this document as necessary, and once those changes are posted online, they are in effect.

If governing laws or regulations change, or court decisions alter, the requirements in a way that impacts this document, this document will be construed to comply with the most recent governing laws or regulations or court holdings.

This document does not create legally enforceable protections beyond the protections of the background state and federal laws that frame such policies and codes, generally.

These procedures are effective August 1, 2024.

SEXUAL ASSAULT REGISTRATION

PURPOSE

The University of Detroit Mercy Department of Public Safety releases to the University community web links maintained by an outside source that will enable the University community to locate information on Michigan registered sex offenders.

SCOPE

This policy applies to students, employees, contractors, consultants, temporary help and other workers at the University of Detroit Mercy, including all personnel affiliated with third parties.

SEXUAL ASSAULT DEFINED

Sexual assault is a physical assault forced upon an individual who does not or cannot consent and involves a sexual act or an attempted sexual act with that individual. Sexual assault includes, but is not limited to sexual intercourse. Sexual assaults are acts of violence used to humiliate, dominate and overpower another person.

POLICY

In accordance with the Campus Sex Crimes Prevention Act of 2000, which amends the Jacob Wetterling Crimes against Children and Sexually Violent Offender Registration Act, the Jeanne Clery Act and the Family Educational Rights and Privacy Act of 1974, the Detroit Mercy Department of Public Safety is providing a link to the Michigan Department of State Police (MSP) Sex Offender Registry.

This Act requires sex offenders registered in a state to provide notice of each institution of higher education in that state at which the person is employed, carries on a vocation, or is a student. In the State of Michigan, convicted sex offenders must register with the Sex Offender and Crimes against Minors Registry maintained by the MSP. Detroit Mercy Department of Public Safety provides for the campus community resources to obtain information concerning registered sex offenders.

MSP Public Sex Offender Registry (SOR) is available via Internet pursuant to Offenders Registration Act, MCL 28.721et seq. Registry information provided under this section shall be used for the purpose of the administration of criminal justice, screening of current or prospective employee, volunteers or otherwise for the protection of the public in general and children in particular.

Unlawful use of the information for the purpose of intimidating or harassing another is prohibited and willful violation shall be punishable through the legal system. These sites are maintained by the Michigan State Police.

WEAPON-FREE CAMPUS

WEAPON-FREE CAMPUS

In the interest of protecting its students, employees, and visitors from violence and to maintain campus safety, the University of Detroit Mercy strictly forbids the possession or use of dangerous weapons on any of its campuses. This prohibition includes individuals licensed to carry a concealed weapon. The only exceptions to this policy are those members of Detroit Mercy Public Safety who are licensed to carry a weapon and are authorized by Detroit Mercy to carry a weapon, and those law enforcement officers entering any Detroit Mercy campus in the line of duty. In compliance with applicable Michigan law, Detroit Mercy strictly forbids the carrying of concealed weapons in Detroit Mercy classrooms and Residence Halls, regardless of whether the individual is licensed to carry a concealed weapon and/or authorized by Detroit Mercy to carry a concealed weapon.

This policy applies to students, employees, temporary employees, independent contractors, and visitors to Detroit Mercy. Students violating this policy will be subject to immediate discipline, up to and including expulsion. Anyone (employee, temporary employee, or independent contractor) who is performing work for Detroit Mercy and violates this policy, will be subject to immediate termination. Visitors and any others who violate this policy will be immediately escorted off campus and/or turned over to local law enforcement authorities as appropriate.

“Weapons” include handguns, pistols, firearms, explosives, knives, and other weapons as defined by Michigan law or local ordinance. Questions about whether an item is covered by this policy should be addressed to the Director of Detroit Mercy Public Safety or to Human Resources as appropriate. Employees and students have the responsibility to determine whether possession or use of any questionable item not listed above violates this policy.

The sites covered by this policy includes all campus property, including buildings, open parking lots, walkways, driveways, areas between buildings, open areas, and those off-campus locations under the control of Detroit Mercy. This policy also applies to all vehicles owned or leased by Detroit Mercy and all vehicles that enter any Detroit Mercy campus.

Detroit Mercy reserves the right at any time and at its discretion to search all Detroit Mercy-owned or leased vehicles, and all vehicles entering any Detroit Mercy campus. Detroit Mercy also reserves the right at any time and at its discretion to search all packages, backpacks, duffels, handbags, boxes, bags, containers, dormitory rooms, lockers, desks, work areas, and persons entering the campus, to determine

whether a person or persons have brought weapons onto any Detroit Mercy campus in violation of this policy. Any student or employee who refuses to permit a search will be subject to discipline up to and including expulsion or discharge, as appropriate. Independent contractors will be subject to termination and immediate removal from the campus. (Reprint from Employee Handbook)

WORKPLACE VIOLENCE

It is the policy of the University of Detroit Mercy to establish and maintain a safe and healthy climate conducive to a respectful workplace for its employees; therefore, no acts of verbal, physical, or emotional intimidation, harassment, or assault will be tolerated in any context or degree by University students, staff, faculty, and administrators. This policy extends to independent contractors, vendors, or others who conduct business with the University on the campuses.

No weapons of any kind will be allowed on any location owned, leased, or operated by the University of Detroit Mercy, except by law enforcement agencies including University police officers in compliance with the University of Detroit Mercy Weapon Free Campus Policy.

Employees and supervisors should understand how important it is to recognize early warning signs of potential violent conduct. Examples of such warning signs include:

- A history of emotional or mental disturbance
- A history of threatening or violent behavior
- Paranoid or easily panicked behavior
- Serious and unpredictable mood swings
- Fascination or preoccupation with weapons
- Extreme stress from personal problems or a life crisis
- Extreme stress as a response to a workplace condition
- Being a loner with little or no involvement with other employees
- Engaging in frequent disputes with supervisors or fellow employees
- Routine violation of University policy
- No interests outside of work

Supervisors who become aware of behavior patterns similar to those listed above should contact Human Resources.

Threats of violence are serious and should be treated as such. Threatening behavior can include:

- Throwing objects
- Making verbal threats to harm another individual or destroy property
- Making menacing gestures
- Sending threatening faxes, e-mails or notes to other employees
- Expressing significant grudges against other employees
- Displaying an intense or obsessive personal interest with others that exceeds normal bounds
- Attempting to intimidate or harass other individuals
- Behavior indicating that the individual is significantly out of touch with reality to the extent that the person poses a danger or threat to himself or herself or others

All members of the University community are responsible for notifying their supervisor of any threats, actual or perceived, which have been witnessed, received, or if they have been told that another person

has witnessed or received, whether or not those involved are members of the Detroit Mercy Community. The supervisor shall notify Human Resources (313) 993-1036 who will contact Public Safety. In cases where Human Resources is unavailable by telephone between the hours of 8:30 a.m. and 5:00 p.m. or where there is an immediate threat or perceived danger, the employee, or supervisor should immediately notify Public Safety utilizing the campus emergency assistance number (313) 993-1234.

Employees also are encouraged to notify their supervisor or Human Resources whenever they experience domestic conflict, abuse or misdirected affection outside their work environment. The supervisor/Human Resources then can be more alert to the intrusion into the workplace by a third party and possibly take preventive measures. Any employee who applies for and obtains a personal protective or restraining order that lists the University of Detroit Mercy as a protected area must provide his or her supervisor, Human Resources and Public Safety a copy of the petition and declarations used to seek the order, plus a copy of any temporary protective or restraining order that is granted. The University understands the sensitivity of the information requested and will treat it confidentially with respect to the privacy of the reporting employee.

Human Resources, in cooperation with Public Safety, will investigate reports of violence. All those covered by this policy must cooperate fully when questioned regarding violations of this policy. Employees who report incidents of workplace violence and/or respond to investigations may request to do so confidentially. Such requests will be honored to the extent legally allowable.

Employees who are found to have violated this policy by threatening another individual with violence or engaging in violent behavior will be disciplined up to and including possible immediate discharge depending on the severity of the circumstances. (Reprint from Employee Handbook)

UNIVERSITY OF DETROIT MERCY EMERGENCY RESPONSE AND EVACUATION EMERGENCY ALERT SYSTEM

The Emergency Response Plan defines for the University of Detroit Mercy community the framework necessary to respond to emergencies. One measure of an organization's strength is its ability to respond well in an emergency. Since every scenario cannot be predicted, an emergency plan must be able to adapt quickly to events as they unfold. The University response needs to be quick, professional, supportive, person-centered, and meet the emerging demands of any emergency or crisis situation. This plan is designed to be flexible because an emergency may be sudden and without warning.

The President or designee (most senior Executive Officer when President is unavailable) shall declare a state of emergency when, upon recommendation of the Chief/Director of Public Safety, it is deemed necessary to activate emergency procedures and/or close all or part of the University.

The President or designee can convene the President's Council as the situation dictates.

The President or designee shall declare an end to the state of emergency when hazards no longer exist.

Following is the list of University designees who have decision-making responsibility in case of an emergency or crisis at the University of Detroit Mercy.

- President
- Provost, VPAA
- Vice President of Business and Finance
- Associate Vice President of Facilities Management & Campus Services
- Chief/Director Public Safety

University of Detroit Mercy Emergency Alert is a mass, urgent notification system, comprised of a variety of methods by which the University, without undue delay, will notify students, faculty and staff of an active, major campus emergency or dangerous situation involving and immediate threat to the health or safety of student or employees occurring on campus:

- Text messages (SMS) to cell phones

- Voice message to telephones
- Emails
- University Website posting
- University Twitter feed
- University Facebook
- Some campus digital signs

When the University of Detroit Mercy DPS Chief or Command Officers confirm there is a significant active emergency or dangerous situation impacting the public safety of the campus, an urgent notification will be sent without undue delay through the University of Detroit Mercy Mass Notification System. Initial confirmation by DPS may occur by observation of a police or security officer, multiple witness telephone calls, alarms activating in the DPS Communications Center or a confirmed report from another emergency responding agency (such as the National Weather Service, the fire department, ambulance, hazardous materials response team, FBI, County Public Health, etc.) Unless the notification, in the professional judgment of responsible authorities compromise efforts to assist victims or to contain, respond to, or otherwise mitigate the emergency.

Examples of activations may include:

- When a person actively shooting a weapon is threatening campus
- When a tornado warning is issued for the county
- When a major hazardous material spill is impacting a large portion of campus
- When University of Detroit Mercy administration declares an Emergency Reduction in operations
- Closure or Selective Campus Closure
- Delay start of classes

Localized incidents within a building (such as a small fire, hazardous material spill in a lab, water leak,) probably will not require mass notification. The emergency message content will contain pre-scripted brief messages content developed in consultation with the DPS Chief and University Rave Notification Team. The message will be sent by the University Marketing and Public Affairs Department. The University Rave Notification team consists of:

- Chief/Director Department of Public Safety
- Associate Vice President Facilities Management & Campus Services Division
- Associate Vice President University IT
- Associate Vice President Marketing and Public Affairs
- Director- Media Relations

This information will be shared to help the public take action for their safety, unless, in the professional judgment of DPS command, issuing a notification will compromise efforts to assist a victim or to contain, respond to, or otherwise mitigate the emergency.

Follow-up information, including an “all-clear” message, will be disseminated as appropriate. University of Detroit Mercy Mass Notification systems are issued campus-wide, not to smaller segments of the community. In order to receive urgent notification alert messages, faculty, staff and students may register through Rave Mobile Safety System. University Mass Notification System is tested and documented yearly by Associate Vice President University IT.

University of Detroit Mercy provides emergency response and guidance for the McNichols Campus, Corktown Campus and Riverfront Campus. Emergency response and evacuation procedures are identified in the Detroit Mercy Emergency Response Procedure (ERP) and in individual Building Emergency Plans. The ERP outlines how the University of Detroit Mercy community (students, faculty, staff and visitors) conducts emergency response actions for specific emergency situations. The ERP is available online at: www.udmercy.edu/publicsafety/EmergencyPreparedness

Emergency Procedure Guides with basic instructions are available from DPS. Students, faculty and staff with questions about emergency procedures in their building should check with their Facility Manager or college office, Building Coordinator or contact DPS at (313) 993-1234. Emergency preparedness plans are exercised at minimum of once a year in each academies building.

Detroit Mercy students and employees that teach or take classes at a satellite campus, such as Aquinas College must sign up for the respective Emergency Alert Systems at this campus. University of Detroit Mercy does not control the Emergency Alert Systems at their campus.

Aquinas College – Students will need to sign up using their Aquinas College email <https://www.aquinas.edu/offices/campus-safety/aq-cares-app.html>

Shelter in Place

Shelter in place means to seek immediate shelter and remain there during an emergency rather than evacuate the area. Taking shelter inside may be in response to an external hazard such as a chemical release from an industrial or transportation accident, hazardous weather, police, fire or public health emergencies, or acts of violence. Since each situation is unique, shelter in place techniques may vary based on the incident. All decisions to shelter in place will be made by DPS and notification will be through University Mass Notification System and by DPS Personnel or other responding emergency personnel. You must immediately seek shelter in the nearest facility or building (preferably in a room with no windows). Example of shelter in place:

- Tornado Warning
- Hazardous Materials (HAZMAT)
- Active Shooter
- Building Intruder
- Civil Disturbance

Academic Building Emergency Preparedness/Fire drills are conducted once yearly. Resident Halls Emergency Preparedness/Fire drills are conducted each semester for all occupied facilities. The fall semester exercise/drill is conducted within the first 21 days of start of semester. The University of Detroit Mercy follows PA 481 of 2014, amends PA 2017 of 1941, MCL 29.19a, Section 19a (1-5). These Emergency Preparedness/Fire drills could be announced or unannounced. The University also conducts tabletop exercises, functional or full-scale exercises.

ANNUAL FIRE REPORT SECTION 2023

ABOUT THE ANNUAL FIRE SAFETY REPORT

The University of Detroit Mercy Department of Public Safety 2023 Annual Fire Safety Report is provided to you in compliance with the Higher Education Opportunity, Public Law 110 – 315 Act. (HEOA) The Annual Fire Safety Report is a HEOA regulation that requires minimum statistical disclosure for the three previous years for residential housing (for purposes of this report 2020, 2021, 2022), concerning reported fire related incidents on property owned or controlled by the University of Detroit Mercy. This report also includes institutional policies concerning campus fire evacuation, residential hall reporting and other fire safety matters. Detroit Mercy Corktown Campus – School of Dentistry does not maintain a student housing facility on this campus. Accordingly, the university does not have residential housing fire statistics to report for the 2020, 2021, and 2022 Annual Fire section of this report. The Detroit Mercy McNichols Campus maintains a student housing complex. Fire statistics for the McNichols Campus are disclosed in this Annual Security & Fire Safety Report 2023. You can obtain a copy of the campus reports by following the print options, contacting the Department of Public Safety at (313) 993-1234 M – F 9:00 a.m. to 4:00 pm., or by accessing the following website www.udmercy.edu/publicsafety

FIRE SAFETY TIPS

- **Plan Ahead!**
- Never tamper with fire alarm systems.
- Know two fire escape routes from your residence.
- Read the fire safety evacuation measures provided.
- When an alarm sounds, leave the building immediately.
- Cook only where it is permitted.
- Learn student housing fire safety measures.

FIRE SAFETY FACTS

Plan Ahead! You may have only a few minutes to get out safely once the smoke alarm sounds.

WHEN THE ALARM SOUNDS ... GET OUT

Fire doubles in volume every 30-60 seconds. In just a couple of minutes, an entire room or multiple rooms can be engulfed in flames and smoke. When the fire alarm sounds, get out of the building – FAST and NEVER, no matter what, delay or go back inside the building to get your “things”. Ask yourself; is a cell phone or computer more important than your life? No way. You can always buy a new cell phone, but you can't buy your life back. CAMPUS FIRE SAFETY POLICY

PURPOSE

University of Detroit Mercy releases fire safety information to the University community as a first step in educating the community on fire safety procedures. Detroit Mercy has provided educational information that provides techniques to reduce the risk of a fire safety incident. The University will offer prevention programs essential to keep the University community safe from fire safety incidents. Fire safety laws are meant to educate our community and to encourage those with fire incident information to report the offense to the Detroit Mercy Department of Public Safety.

SCOPE

To create and maintain a fire safe environment for students residing in campus housing, non-residential students, employees, contractors, consultants, temporary help and other workers at Detroit Mercy, including all personnel affiliated with third parties.

POLICY

Residential Halls

When it comes to fire safety, certain personal property can compromise the safety of all within the community. The prohibited items can be found in the **Guide to Residence Living**. The Office of Residence Life conducts regular health and safety inspections of each residence hall. All areas and spaces of the room/suite, and all objects and containers within the space may be searched. Illegal or unauthorized property will be confiscated, and residents will be provided a list of items taken. Items violating local, state, or federal laws may be turned over to the Department of Public Safety.

General Fire Policy

Detroit Mercy has life safety procedures to keep our community free of fire safety hazards. Annually, fire systems are tested throughout University campuses. The Department of Public Safety (DPS) has leadership role to initiate, facilitate and account for fire safety test drills. As an ongoing process check other committees and departments have a responsibility to assist DPS during these tests and report their findings.

Fire safety tests are one measure that Detroit Mercy uses to account for the operations of mechanical equipment and emergency response of our community and emergency personnel. While other inspections occur to assess our emergency readiness, as a standing practice the Detroit Mercy community is encouraged to play a role in the prevention and evaluation process of campus fire safety systems and procedures.

Fire incidents on University property are the direct responsibility of the DPS who shall make the necessary notifications for additional outside resources when an incident requires. DPS officers are trained in emergency response to critical incident scene. The University community has been provided with specific fire safety protocol, evacuation and containment procedures to aid in making an educated choice if faced with a fire safety incident.

All DPS Officers have been trained on proper use of all types of Fire Extinguisher. DPS trains all Resident Advisor on proper use of Fire Extinguishers at RA Orientations. DPS has developed an online Fire Equipment Training presentation for all student, faculty and staff. This presentation is located on DPS

website. Fire safety information is available on the University Emergency Procedure Guide and located in the Detroit Mercy Emergency Response Plan. Follow this link to access fire safety information www.udmercy.edu/publicsafety/emergency_readiness or call the Department of Public Safety at (313) 993-1235 M-F between 9:00 a.m. – 5:00 p.m.

The University is committed to promoting and maintaining a healthy work and academic environment that is as close to tobacco free as practicably possible and in accordance with all federal, state and local laws. Students, employees and visitors are prohibited from using tobacco throughout all University buildings (exception University Apartments), University vehicles and outside of buildings within 25 feet of any entrance, air intake duct and/or window.

Daily Fire Log

A daily fire log is available for review 24 hours a day on the University of Detroit Mercy DPS website at: www.udmercy.edu/publicsafety/clery/incidents/index.htm. The information in the fire log includes the nature, date, time and the value of property damage caused by a fire. The Annual Security report is available 24 hours a day on the University of Detroit Mercy Department of Public Safety website at: www.udmercy.edu/publicsafety/clery/fire/index.htm

Our residential complex is monitored 24-Hours a day 7 days a week by the University's Department of Public Safety. The University provides routine equipment tests to ensure operability. The Detroit Fire Department provides an annual inspection of hydrants located on Detroit Mercy campuses.

The residential halls are equipped with standard fire pull stations and fire alert horns that are activated when a pull station is engaged. Many of the halls also have floor fire strobe indicators. The University provides fire-safe notification systems that meet ADA regulations to accommodate students with certain disabilities. The Department of Public Safety and the Office of Residence Life staff also provide on an as-needed basis a fire watch patrol if systems go offline for any reason.
